## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The bridge over Chapman Brook on the Northwest Bethel Road was badly damaged by a heavy truck last Friday. Cars were allowed to use the bridge but heavier vehicles were routed through the brook below the bridge. Three culverts were put in and gravel was hauled in on Tuesday of this week to make it easier to get over the temporary route. The temporary route is all right but would not stand a heavy shower or a large volume of water in the brook.

A member of the Bridge Division of the Maine State Highway Commission has inspected the damaged bridge. He will make estimates and recommendations to the Board of Selectmen as to the best solution to the problem. A more permanent type structure is being considered to replace the wooden bridge.

The spraying for insects will be done next week. The job is likely to be done any morning or evening next week. The spray has an oil base so people should take the same precautions with their autos and laundry as they did with the spray for Dutch Elm. Certain homes and farms usually make a special request that their land be excluded from spraying. If you will notify the town office, I will see that the requests are given to the firm doing the spraying. The insect problem seems to be a little earlier than usual this year. I'm quite sure the situation will be better after the spray.

## "LONELY PRINCESS" TO BE PRESENTED JUNE 5th AT BINGHAM HALL

Members of the Childrens Dance Theater will present "The Lonely Princess," a symbolic fairytale play told in music and dance, at Bingham Hall, June 5, at 8:00 p. m. As this delightful story unfolds under the lighting effects available at Bingham Hall, the colorful setting and costumes as well as the great variety of dances, are expected to provide a memorable performance.

"The Lonely Princess," along with its gay activity on the Village Green, also has its tense moments. This is noted when the Princess, artistically portrayed by Ginevra Bean, goes down into the Vale of Tears to bring back her Love and her laughter which was taken away from her by the wicked Goddess of Tears, dramatically played by Bethany Andrews.

Another amusing sequence is the "Pas de Trois" done by the Goddess of Temptation, Nancy Bean, the Goddess of Obedience, Susan Brooke, and the Princess, when she is torn between her wish to acknowledge her responsibility and go to the Vale of Tears, and her desire to take the easy way out and forget it. For awhile, it almost seems like the Goddess of Temptation will win the battle.

The Princess as a child, played by Vicki Parker, and her young Prince, played by Jeffery Twitcheil, celebrate her tenth birthday at a Garden Party. She receives gifts from all the Goddesses, and from her prince friend, the gift of Love in the form of a gem. In the midst of this joyous occasion, the jealous Goddess of Tears interrupts the party and casts a spell, taking Love and Laughter to the Vale of Tears. How the Princess struggles within herself to finally break the spell brings about a delightful ending to the show, and leaves a fine moral for us all.

Mrs. Susan Farrar is director and choreographer assisted by the following production committee: Mrs. Margaret Bean, coordinator; Mrs. Mary Kendall, wardrobe mistress; Miss Rose Rozek, make-up; Mrs. Judy Haskell, property; Mrs. Rosabelle Tift, publicity; and Paul Pierce, stage manager, assisted by Charlie and Larry Jacobs.

The remainder of the cast includes: Merry go-rounders—Debby Buck, Judy Stowell, Nina Inman, Paula Holmgren, Beck, Cobb, Sandra Kendall, Cathy Fiske, Jean Manson, Suzanne Royer and Debby Dusen; Flower Vendors—Cynthia Tift, Cathy Buck, Elaine Connor, Poppets: Ruth Jenkins, Darby Jean York, Kathy Smith, Laurie Littlefield, Mary Ann House, Tammy Mills, Donna Marie Blankenship and Terilee continued on page four

**"COACHMEN" TO APPEAR AT RUMFORD JUNE 8**  
On the evening of June 8, the Rumford Point Congregational Church will sponsor a benefit concert at Stephens High School which will feature the Nasson College Coachmen, a folk-singing group whose repertoire includes... vocal arranger... and general "wagmaster" is John Elliott of North Ramford.

The other members of the group are Chuck Fuller, the lead guitarist and tenor... Thom Miles, described as having a zeal for jazz and a string bass... and last but not least, Bronwin Williams, who adds the feminine touch and a fresh quality to the presence and harmony of the Coachmen.

This is, indeed, a combination of four individuals that produces a rare performance, spotlighting the feeling and meaning of folk songs through expressive lyrics and contemporary harmony.

Elliott is the son of Mr. and Mrs. Rupert Elliott and is a senior at Nasson College in Springvale. His musical ability has been recognized for a long time in this area, as he has appeared in his church choir, high school glee club, community choros, and a folk music quartet. He is at present President of the Nasson College Glee Club, and it can be safely said that "where there is music, there is John!"

The Coachmen have been working together for the past three years and appeared at the New England Pavilion at the New York World's Fair in the summer of 1964 for an unprecedented three days. They will go directly from Rumford to Cape Cod for a week's engagement, and following that, will make a return engagement at the World's Fair. Throughout the school year they have done a number of college concerts at such schools as U. N. H., Bates College, Bowdoin College, Gordon College in Beverly, Mass., Nathaniel Hawthorne College in Andover, N. H., and have a large and loyal following on the campus of their own school. This group has placed first in many folk-singing competitions throughout New England; and John Elliott, as a soloist, placed first in a Thornton Academy hootenanny contest in which groups from all over New England participated.

An evening of fine entertainment is ahead for everyone in this area, and the Rumford Point Congregational Church is happy and proud to present such a fine, outstanding group of young people... one member of which it can claim as its own.

Dear Friends,  
Drive safely! Everybody advises it, but the needless sacrifices go on at the same terrible rate.

Perhaps if the public could see the consequences of highway accidents as we see them, the appeal for safety would have some effect.

Time after time the awful waste of human life has been brought home to us and we wonder why it has to be. In the name of humanity, let us drive carefully.

A Chinese came to the missionary and asked to be baptized. But since he lived in a village where there had been no gospel preacher, the missionary asked, "When did you hear the gospel?" The Chinese replied, "Please sir, I have never heard the gospel; I saw it. For a whole year now I have had for my neighbor in the shop right next to mine a Christian man, I believe the gospel, as I have seen it in my neighbor, and I want to be baptized as a Christian myself."

## LETTER TO THE EDITOR

South Bham, Maine  
May 28, 1965

Editor of Bethel Oxford County Citizen, Bethel, Maine  
Dear Sir:

I wish to add my voice to all the other proposals for the future stature of Gould Acad.

It seems to me that most objections to having Gould become a part of the University of Maine is the loss of the identity of Gould. We alumni have always been proud to say that we are graduates of Gould Academy; and if there is no Gould Academy in the future, we feel that we have lost our high school home. Therefore, I suggest that the name Gould Junior College operated by the University of Maine be given to the branch of the U. of M. at Bethel instead of its being called U. of M. Bethel (which spelled backwards is B. U. M.). In case the name Gould is retained, the alumni association can function as usual in Bethel and the records, trophies, and documents be kept where they are now.

Westbrook Seminary changed its name to Westbrook Junior College and kept on functioning as before. We have many other precedents of seminaries and academies merely dropping the high school denotation but retaining the original name. If the U. of M. is to acquire Gould Academy for the sum of one dollar, as some of the alumni have heard, I should think the University Trustees would be willing to make a concession regarding the name of the new junior college.

As a citizen of Oxford County, I shall be glad to have as institution of higher learning nearer Oxford County than Orono or Portland.

Very sincerely yours,  
Annabel Snow Fox

## HISTORY OF ROUND MT. GRANGE

The following history of Round Mountain Grange was written by Roy G. Wardwell and read at the 90th anniversary celebration of Round Mountain Grange, Albany, on May 24:

This grange was organized at Hunt's Corner on May 7, 1875 in what was then known as Cole's Hall by Nelson Ham, the first master of the Maine State Grange.

There were thirty-one charter members. From these charter members the following officers were chosen: Master, Herman Cummings; Overseer, Archie S. Cole; Lecturer, Justice

Aspinwall; Steward, John K. Wheeler; Assistant Steward, David B. Brown; Chaplain, Joseph Wheeler; Treasurer, James Flint; Secretary, Franklin Cross; Gate Keeper, Lyman Johnson; Ceres, Mary F. Flint; Pomona, Anna K. Cummings; Flora, Almira Aspinwall; Lady Assistant Steward, Carrie L. Cole. These officers were installed by O. D. Hinekey, then Deputy of the National Grange on May 13, 1875.

This name Round Mountain Grange was suggested by a charter member, Lucy Ann Cross and was adopted by ballot.

After a little over one year the Master, Herman Cummings finished off a hall in his home and the Grange moved there. The first meeting was held there July 1, 1876. As the membership was growing all the time, it was thought best to have more room. So an old store was purchased at Hunt's Corner in December 1883.

The upstairs was finished off into a nice little Grange Hall with an anteroom and a closet for regalia and Grange paraphernalia. The downstairs was made into a dining room and kitchen in one end and a Grange store in the other end. This began being the Grange home in 1887 and is remembered by only a few members now living of the good times enjoyed there.

After about twenty-two years the Grange wanted a more modern hall, and the present hall was built by the Brothers of the Grange who were handy with tools. Most of them were fairly good carpenters; only one boss carpenter was hired.

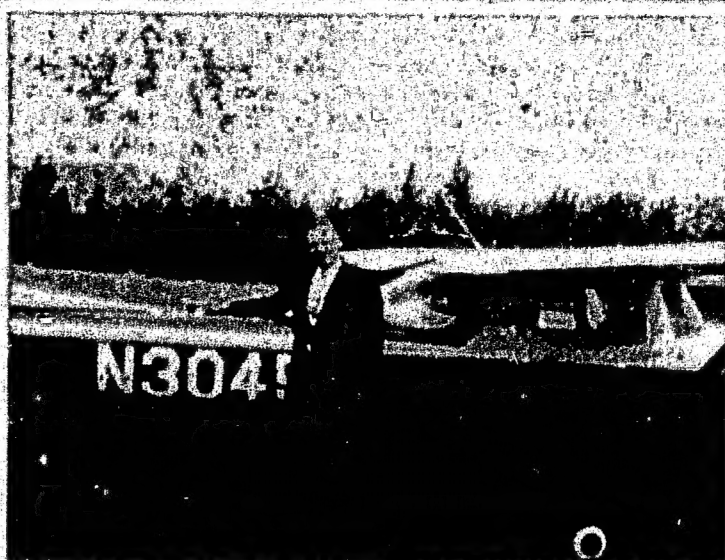

The hall was dedicated by State Master C. S. Stetson, assisted by State Chaplain A. E. Morse, in December 1909. Brother James A. Kimball was Master at this time.

There are a few members and four officers of the Grange now who are descendants of the first Master, Overseer, Secretary and Treasurer.

In 1924 the Rev. Hilda Ives, pastor of the church at Hunt's Corner, a resident of Portland and a member of Pleasant Dale Grange of South Portland, suggested that the Grange establish a lighting system and extend the service to the church about one hundred feet above the Grange Hall. This suggestion met with hearty response from the Grange. A plant was purchased and installed in the basement of the Grange Hall. The hall and church were wired and were dedicated to bright lights in December 1924 with a large crowd present.

This lighting system was efficient for twenty-nine years. On May 6, 1953, the hall and church were changed over to the Central Maine Power Company's line.

lighting system of 1924 were from Sister Hilda Ives, Mrs. Small, of Portland, Brother J. S. Rich of New York and Albany, W. J. Upson, and Mr. and Mrs. F. L. Edwards of Bethel, and the Brown Company, of Berlin, New Hampshire.

We pay tribute to the Sisters who took up their implements ninety years ago and those who have followed: who one by one have laid them down when the "summons" came.

We quote from Brother O. K. Kelley: "Had it not been for the influence of women, the Order would probably never have been known; without woman's cooperation it would not have made its wonderful progress, and only while their membership is retained can we expect to continue it successfully."

In 1925 when the Grange observed their 50th anniversary there were seventy-two members. After some years passed the membership began to drop until there were only about thirty members. Then a few years ago, the tide turned back and at present the membership is fifty-five.
